## Early Release

*Bill Hunter, Principal*

**Due to staff development, Liberty Intermediate School will have an early release from school on January 26, 2006 at 11:05. Lunch will not be served.**

## Happy New Year!

*Bill Hunter, Principal*

Welcome back to Liberty Intermediate School. I hope your holidays were memorable for you and your family. The New Year is an appropriate time to review some important items that are helpful to us at Liberty.

We encourage family members to discuss before-and-after school activities before children come to school in the morning. We have received many telephone messages to relay to students during the day. We ask that messages be limited to those of an emergency nature. This will assist us in minimizing interruptions to the learning process.

Please plan on having your child arrive to school after 8:00 A.M. The majority of students are arriving to school during the appropriate time; however, some students are arriving as early as 7:30 A.M. On those cold and rainy days, students should not be outside that early unsupervised.

Since the weather is getting colder, please monitor what your child is wearing to school so that your child may dress appropriately. Students who arrive without a jacket/coat will be sent to the nurse, who will contact the parent.

## Lost & Found

Please have your child check the lost and found if they are missing an article of clothing, bike helmet or lunch bag. Our baskets are overflowing. We keep small

lost and found items in the office for small and valuable items.

## School Delays

We do not make the determination to delay or close school due to poor weather. We receive that information from the base commander. You may learn the status of school openings and transportation delays by calling 01638-543541. The message is updated daily by 6:30 A.M.

**DSN 238 3541 or DSN 226 3541 (commercial 01638 543541/523541)**  
The information will also be available on the Commander's Access Channel.

## Upcoming Events:

### Star Labs

Star Labs is an inflatable room sized planetarium in which students learn about planets, stars and constellations. All classes will visit Star Labs twice starting towards the end of January.

### D.A.R.E

D.A.R.E. (Drug Abuse Resistance Education) gives kids the skills they need to avoid involvement in drugs, gangs, and violence. D.A.R.E. was founded in 1983 in Los Angeles and has proven so successful that it is now

being implemented in nearly 80 percent of our nation's school districts and in more than 54 countries around the world. D.A.R.E. is a police officer-led series of classroom lessons that teaches children how to resist peer pressure and live productive drug and violence-free lives. 5<sup>th</sup> grade students at Liberty will begin 10 weeks of instruction beginning the first week of February. Parents can obtain more information at our D.A.R.E. Parent night on 9 February at 1700 hrs in our school cafeteria. <http://www.dare.com>
