## Parent Orientation on September 15 at 5:00 at the High School Auditorium

*Bill Hunter, Principal*

I want to remind you about Parent Orientation tomorrow, September 15 at 5:00. We will begin our time at the High School Auditorium for a short introduction. It will also give me an opportunity to share with you our school goals and our commitment to you as we work together to ensure that your child has the highest possible student achievement.

Parent Orientation is an opportunity for you to learn more about what you may expect from us and what we may expect from your child. Teachers will discuss the curriculum and the educational opportunities available. Please remember that this is not a time for conferences about individual students. You are free to make an appointment with your child's teacher to discuss the progress of your child.

donate baked goods on Thursday or Friday, please leave items at the front desk. I encourage you to support this project to enable this to be a successful endeavor for our students and to those whom have directly experienced the effects of Hurricane Katrina.

## School Advisory Members Needed

*Bill Hunter, Principal*

The Department of Defense Dependent Schools has established a School Advisory Committee (SAC) to advise the principal on school related matters for the improvement of the school. The School Advisory Committee serves as an advisory body and not a policy-making organization. We currently are looking for a fourth grade representative. It is an elected position. If you are interested in serving on the SAC, please contact me at the school. I will give more information on this at the Parent Orientation.

## Phones Down

*Bill Hunter, Principal*

Due to a storm on Friday, our phones are not working until further notice.

**☎ You can reach us at 01638 532355.** Please use this number for emergencies as we only have one line at this time. We are constantly checking our emails, if you cannot reach us by phone, please email the school at the following address:
