Liberty's Mission Statement

The mission of Liberty Intermediate School is to create an environment, which respects the dignity of individuals and provides educational opportunities and challenges for students to increase achievement

Parent/Teacher Conference Time

Mr. Hunter

Parent Conferences are scheduled for November 12 - 16. There will be no school on those days for students. Parent-teacher conferences are an important part of home-school communication. They allow for both the parent and teacher to discuss issues pertaining to each individual child. It is important for your child to see that both the home and school are advocates for the child's education. Time has been set-aside for you to meet with the teacher during this week. Please call the school to reschedule in the event that you cannot make your scheduled appointment. Below are some questions that you may want to ask your child's teacher during the conference:

- How is my child doing academically?
- How is my child's behavior?
- Is my child working to his/her ability?
- How is my child socially?
- How may I help my child?
- What else do I need to know about my child that will allow me to assist my child to be successful?

Recognition Assembly

Mr. Hunter

I want to invite you to our Recognition Assembly honoring those students who achieved a high level of success. On **November 23rd**. Blizzard's Honor Roll - Awarded at the end of each quarter for students who achieve an "A or B" in every academic area.

If you interested in attending, please plan on being in the auditorium at least 5 minutes prior to the start of the assembly so that we may begin and end on time.

Blizzard's Roar

Mr. Hunter

You may have noticed our Blizzard's Roar boards in the foyer as you enter the school. On Wednesday's of each week we celebrate High Student Achievement by honoring those students that have done exemplar projects, tests or homework in the classroom.

Each student has their picture taken and their work is displayed on these boards. They also sign a Blizzard's Hall of Fame book and receive a certificate from me for their achievement.

It is our way of encouraging quality work.
