Welcome to Earth Week!

Earth Week Coordinator

The first Earth Day was held in 1970, which rallied over 20 million Americans from around the US and on college campuses to get involved in environmental issues concerning our planet. Now "Earth Day" is celebrated globally (22 April) and weeks of activities are planned around this special date! Our Lakenheath/Mildenhall Military Commands will take this opportunity to raise environmental awareness while promoting environmentally friendly practices throughout our communities during 19-26 April. Please check your local listings for all Up and Coming Earth Week Community Events. This year's Earth Week Theme – Small Changes, Big Differences.

The earliest date students can complete this acceleration is 15 May 2008; students must attend school all day on this date. A request for acceleration must be made to the principal 30 days prior to the student's last day in school. Final student records will be available two school days after the student's last day.

AAFES Auto/Lunch Program

Cafeteria Supervisor

We have quite a number of students with overdue lunch payments. In order to avoid this in the future parents are requested to use the tips below:

Please check your child's lunch account balance regularly to avoid overdue notices. Payments can be made at the school cafeteria as well as at the Customer Service Counter at either the Lakenheath BX or Mildenhall BXtra. Check on your family's eligibility for free or reduced lunch with the School Liaison Office at 226-5077. They will be delighted to answer your questions about the program.

Thank you for your support and we look forward to meeting you. Why not join your child for lunch? Simply let your child's teacher know ahead of time so we can include you in our daily lunch count. If you have questions please contact the LIS Cafeteria Supervisor at 226-5589 between the hours of 0800-1330 on school days, or via e-mail at ketteringhamj@aafes.com

FRONT OFFICE BLURB

1. Parents, please call in absences and tardiness before 9am.
2. KIDS SHOULD NOT BE AT THE SCHOOL BEFORE 7:50A.M.
3. Please try not to call with last minute changes to after school plans for children. This is causing too many disruptions in the classrooms, unless it is an emergency.
