Library News

Information Specialist

Read, Believe, Achieve at the Library was the theme for National Library Week – April 2-8. Students celebrated the occasion

by participating in a Scavenger Book Hunt in the library, receiving an informative library bookmark, and checking out extra books during the week. The library was also turned into a Family Reading Corner during lunchtime. Many parents took advantage of an opportunity to eat and read with their children

National Turn Off The TV and Read Week 24 – 30 April

LIS library wants to encourage our students to get out of the TV watching habit by taking part in our **Turn Off The TV and Read Challenge**. If your child would like to participate, have them fill in the contract, present it to our librarians, and he/she will be able to check out up to 5 books during this week.

Just Like A:

5th grade student

Like a tiger, it's soft and swift,
Like an eagle, it's spirits lift.
Like a lion, it has a mighty roar,
Like a surprise, you never know
what's in store.
Like lavender, it is peaceful and
sweet,
Like a tango, it has a perfect beat.
Like a mouse, it's silent and calm,
mimicking the wind; it's as
together as a grove of palms.
Like a school, it's L.I.S.

Step inside...experience the pride,
Get on the Liberty spirit ride!
We try our best each and every
day,
because we know the best way.
We have a rule to be bully free and
that's the way it should be.
We love our teachers and each
other; we treat all people like
sisters and brothers.
All the time we try to be students
achieving happily.
So come on down and you will see
how full of spirit we can be!

An Interview with

Student Teacher

grade student

1. What do you think is the most important thing for kids to learn in school? "To turn your homework in on time because I see so many students that I know can do better than what they're doing."
2. What parts of your hometown do you like to talk about? "My hometown is Boise, Idaho. There is a park along the river that runs through it called The Greenbelt. It is a biking trail that is 20 miles long, and goes through 5 parks."
3. Why do you enjoy teaching? "I enjoy teaching because I enjoy seeing students enjoy learning."
4. How long have you been involved in school education? "My whole life I've been involved with teaching. My mother was a 2nd grade teacher and I would help her. Then I went to college. Once I had children I sent them to school. Soon after I went to college again, and I've worked at LIS for 5 years."
5. What do you think is the worst thing you can do as a teacher? "To put students down and have them think that they're not important."

has been with us since 2001 as a substitute teacher, education aide, library technician, and most recently as our yearbook advisor. We have all enjoyed working and laughing with We wish her every success in her future endeavors. Bill Hunter
