Ode To Books

4th Grade Student

**I absolutely
Positively
Have to
Have books in my life.**

**Without them,
I would not have the
means
To survive.**

If you are interested in attending, please plan on being in the school gym at least 5 minutes prior to the start of the assembly so that we may begin and end on time.

Safety Reminder

Bill Hunter, Principal

Parents please remind your child/ren to look both ways before crossing the road and to obey the traffic signals. If your child is riding his bike or skateboard, ask them not to ride it across the road but to walk across the road when it is safe to do so. Students should use the sidewalks and not cross the road where there is not a marked crossing.

Internet Safety: What Parents Can Do

“Protecting” vs. “Policing”

- ❖ Discuss the dangers in using the Internet.
- ❖ Empower your children to make wise decisions online.
- ❖ Develop “Rules of the Road” with your children.
- ❖ Keep the computer in a public area of the house vs. your child's bedroom.
- ❖ Spend time with your children online.
- ❖ Encourage your children to tell you about disturbing online encounters.
